Pandoria

The winner is MrKoopaa6000 who is a youtuber (<https://www.youtube.com/channel/UCsg8gC8HXZa6CBZ6Js9mbmQ>) and won with Pandoria. Despite looking cute, this Red Panda looks like its about to summon untold disaster on the world. Thus, I named it a modified version of Pandora because of Pandora's box which is an idiom for "Any source of great and unexpected troubles". It also kind of has the word Panda in it.

Ukucha

Well this mon was a special case the winner already had 2 wins this round so the Necrobot became sentient and decided that it will be Ukucha (Idd probably just controlled the bot)

Ukucha roughly translates to small mouse in Quechua

Thanks

A big thank you to Bloba and Sirc who put the contests up and BaguetteBug for making the polls

I also want to thank Idd and Sirc for putting up the polls for the legendaries and the mon announcements for round 2. Another big thanks goes out to Bisloba for being so nice and marking the winners so that they are easy to find
